PRINCIPLES

Designed by Kyle Wilson

SEVEN QUOTES

SEVEN PRINCIPLES

ABOUT THE BOOK

Design Principles

Design Principles is a typographic book that explores seven principles of design through the words of Maya Angelou, Martin Luther King Jr., Nelson Mandela, and Winston Churchill.

DESIGN PRINCIPLES

01 PROXIMITY

02 REPETITION REPETITION REPETITION

03 CONTRAST

04 SYMMETRY

05 ASYMMETRY

06 RHYTHM

07 HIERARCHY

Designed by Kyle Wilson

You may encounter many defeats,

**BUT YOU MUST
NOT BE
DEFEATED.**

MAYA ANGELOU

PROXIMITY

01

The grouping of related elements close together so they are seen as one unit.

NOTHING WILL WORK
NOTHING WILL WORK
NOTHING WILL WORK
NOTHING WILL WORK
NOTHING WILL WORK
NOTHING WILL WORK
UNLESS YOU DO.

MAYA ANGELOU

REPETITION

02

The reuse of the same element throughout a design to create consistency.

OUT OF THE MOUNTAIN OF DESPAIR,

DESPAIR
DESPAIR DESPAIR
DESPAIR DESPAIR DESPAIR
DESPAIR DESPAIR DESPAIR DESPAIR
DESPAIR DESPAIR DESPAIR DESPAIR DESPAIR
DESPAIR DESPAIR DESPAIR DESPAIR DESPAIR DESPAIR

a stone of *hope.*

MARTIN LUTHER KING JR.

CONTRAST

The difference between elements, such as light and dark or large and small.

DIFFICULTIES

**BREAK
SOME MEN**

**BUT MAKE
OTHERS**

NELSON MANDELA

SYMMETRY

An arrangement where elements are mirrored evenly on both sides of a center line.

*The ultimate
measure of a man is
not **where he stands**
in moments of
comfort and
convenience, but
where he stands at
times of challenge
and controversy.*

WHERE HE STANDS

MARTIN LUTHER KING JR.

ASYMMETRY

*An arrangement where elements on each side are different but
carry equal visual weight.*

NEVER GIVE IN,
NEVER GIVE IN,
NEVER, **NEVER,** **NEVER,** **NEVER,**
in nothing, great or small, large or petty,
NEVER GIVE IN...

WINSTON CHURCHILL

RHYTHM

06

A visual pattern created by repeating elements at regular or varied intervals.

Everyone can

RISE

above their circumstances and

ACHIEVE SUCCESS

if they are

DEDICATED TO AND PASSIONATE

about what they do.

NELSON MANDELA

HIERARCHY

The arrangement of elements to show their order of importance.

ABOUT THE DESIGNER

Design Principles

Kyle Wilson is a creative designer originally from Jamaica who now lives in New York. Growing up around Jamaican culture, music, art, and everyday life shaped the way he sees the world.

Moving to New York introduced him to new people, new ideas, and new creative opportunities, and those experiences continue to shape who he is and how he expresses himself.

Kyle studies Multimedia Programming and Design at the Borough of Manhattan Community College and runs his own creative brand, Kyonic Designs.
